CA No 05-084-JJF

Sir I have some questions concerning The last order I received on March, 2, 2006

This order concerned The US Marshall Forms 285[#] for "James Gardels" who was not served due To spelling error. The attorney General Lisa Barchi corrected it I thought That I would have To serve him as she said he had not been served. This order Dated "Feb 27 2006" by Judge JJ Farnan on Page 3 however it has a note^⑦ because

I included a amended complaint which stems from The original complaint and I attempted To realive remedy Through The Prison with out remedy I filed it as a ameded complaint To original

on Page 3 a note says "when an amended complaint is filed prior To service The court will vacate all previous service orders entered" and service will not take place."

Dose This mean only "James Gardels" service order or Dose This mean The "defendants" all ready served? (Thomas Carroll 'Bambi Thomas' Thomas Seacord "defendants all ready served)

Then Page 3 note^⑧ says Discovery motions and motions for appointment of counsel filed prior To service will be dismissed

Dose This include The attorney General ansures To original Complaint's and amended complaints

where ansures have been submitted by The attorney genral and I have replied To Their ansures and have submitted evidance as well as affidavits . will all This be dismissed? Am I starting over?

Dose This affect The Mandamas DI 25 and ansures from Attorney Genral or my reply?

I have Law Library Tuesday and Thursday I "can not" get Docket sheet from Law Library or call your office I need docket sheets To determin what I am refering To , The writ. of Mandamas affects The law Library .

I am pro se~~a~~ and have been approve "in forma pauperis" . can I get docket sheet with ^{no} money up front ,?

Sir it bad enuff That I requested help from The attorney Genral on this abuse and egnored Then They defend The abusers Then The Law Library impead any attempt To get action . Then I ask the court for help I'm doing what I can . As a prisoner I'm show no one cares but This is criminal what's going on , Please can you ansure These few Question's . The main queston is dose This entire sut start over? or do I Just wate for a ansure on The uneded portion? and all other ansures, motions, ok and

still in effect.

I attempted to request counsel and was denied

I am now trying to get help from Human rights
watch in New York.

Sorry for these questions.

I'm just not sure what steps to take
